Dear Ms. Taylor;

You appear to have given interviews with some members of the press and/or members of anti-gas groups regarding the Dimock investigations your agency is making, including one from the front lawn of one of the litigant's homes. I refer you to the following videos which appear on line and in which you are featured:

There may be others but we would like an equal opportunity to interview you. We will be pleased to interview you in Dimock, Philadelphia or wherever else may be convenient.

Sincerely,

Thomas J. Shepstone
Campaign Director
